

MINUTES OF THE SAN JUAN COUNTY COMMISSION MEETING

NOVEMBER 13, 1984

The San Juan County Commission met in regular session on Tuesday, November 13, 1984, at the hour of 10:00 a.m. in the San Juan County Courthouse at Monticello, Utah.

The following members were present: Commissioner Calvin Black, Chairman
Commissioner Kenneth R. Bailey
Commissioner Robert Low

Minutes of the previous meeting were approved with the specified corrections on the motion of Commissioner Low. The motion was seconded by Commissioner Bailey and carried unanimously.

COMMISSIONER-ELECT JERRY HOLLIDAY MEETS

Commissioner-elect Jerry Holliday was also present for the Commission meeting. The Commission welcomed Commissioner-elect Holliday and reviewed some of the responsibilities of the Commission with him. The Commission authorized mileage and expenses for Commissioner-elect Holliday to attend the UAC Legislative Conference in Park City this week.

BEER LICENSE FEES DISCUSSED

Beer license fees from some of the Counties and Cities in the State were reviewed and compared with the fee charged in San Juan County. The present fee is as follows:

	Class A	Class B	Class C	Class D
San Juan County	\$500	\$750	\$800	\$300
State Average	100	173	308	264

The Commission also discussed a request from Jerry Baum in Mexican Hat to lower the license fee. The reasons for the fee increase effective in April 1983, was concern over alcohol related law enforcement costs. Also pointed out was the fact that the fees had not been changed since 1936. Commissioner Bailey stated that the fees were used to limit the number of beer outlets instead of doing so arbitrarily and he feels that it has accomplished this. Commissioner Low stated that he feels that the cost of the license fees are too high according to the State average. Commissioner Black also reported that at the present time we are continuing more illegal alcohol into the State and County. Commissioner Low made a motion to reduce the fees to the following rates:

	Class A	Class B	Class C	Class D
San Juan County	\$250	\$400	\$400	\$250
State average	100	173	308	264

Commissioner Black passed the chair to Commissioner Bailey and seconded the motion.
