E. S. Boyle, Commission Chairman

ROAD MEETING HELD APRIL 24, 1978

TIME: 9:00 a.m.

Present: Commissioners E. Boyle, D. Guymon, C. Black; and Engineer D. Pehrson, Foremen L. Lyman, B. Bradford and L. Adams

Minutes were read and approved

Doug reported the specifications of Red Mesa Project were approved to go to Bids. Commission Black suggested Doug contact the B. I. A. and get a firm commitment from them that they will build the Mexican Water Road before we advertize the bids.

Doug reported the LBM had approved a right of way in Black Steer Park providing the county would construct approximately 700 ft of fence.

Lyn was instructed to write a letter to the UNDC requesting their participation in Halchita St. and Cross Canyon Road.

Teek requested a used tractor to pull the pneumatic Roller. One is available in Cortez for \$2,000. This was approved by the commissioners.

Dave made a motion Teek be authorized to purchase this used J. D. 830 tractor: Second by Cal, Passed Unanimous.

Lynn Adams said Ace had hired a new employee and recommended a starting salary of 23-1. This was approved by the commissioners.

Lynn reported he had ordered a patching truck for the road dept.

Meeting adjourned

MINUTES OF THE COUNTY COMMISSION MEETING HELD MAY 1, 1978

TIME: 10:00

PRESENT: E. S. Boyle, Commission Chairman  
Dave Guymon, Member  
Calvin Black, Member  
Kristine Frost, deputy clerk

Minutes read and approved on a motion by Commissioner Black seconded by Commissioner Guymon.

MONTEZUMA CREEK SWIMMING POOL

Bill Todichini and Ron Burg met with the commissioners to discuss the lease agreement. The commissioners stated that we must have a lease agreement and have the money for the pool obligated as of June 1st or else we would lose the money. Mr. Todichini asked if Commissioner Boyle would write a letter to Ralph Begay asking that this be put on the agenda for the May 9th meeting. Commissioner Boyle stated that he would do this.

EXTENSION AGENT

Jim Stevens met with the commissioners to discuss the Extension budget because of Fern Peterson's sick leave. The commissioners stated that this could come out of the general fund. They also discussed hiring a helper on the weed program.

EQUITABLE LIFE INSURANCE

Mr. Rick Hollingshead met with the commissioners to discuss his life insurance policy and medical policy. The commissioners stated that they were satisfied with Blue Cross-Blue Shield.

BEER LICENSE FOR FRY CANYON

Bill Jones, Paul Page, and Dave Badger met with the commissioners to discuss the Beer License for Fry Canyon. They are purchasing Orin Story's place. The commissioners stated their policy on beer licenses and the application will be turned over to Sheriff Wright for investigation.

XEROX MACHINE

The commissioners met with the Xerox Service man to discuss the problems that he has been having with the machine. These are all operator related because unauthorized persons are using the machine and then when it jams up they pull the plug or flip the circuit breaker. The commissioners asked him to have a sales representative contact them about an audiotron which leaves the machine on but makes it impossible to run the machine without a key.

Commissioner Black made a motion to adopt the following policy: That Patsy Schneidewind or her delegated representative are the only ones authorized to run the Xerox Machine. The door will be kept locked until an audiotron is purchased for the machine. All noncounty copies will be 10¢ a copy. Commissioner Guymon seconded the motion and it passed unanimously.

Patsy will make some signs to put on the machine and on the door.

There will be a memo sent to all departments on the above entry.

TV

Jim Allred met with the commissioners to discuss the TV situation in San Juan County. He also discussed a Television meeting that was held in Richfield which he and Commissioner Boyle attended. There will be another meeting held on May 6th for this area of the county. All of the commissioners and Jim will attend. Jim was also authorized to attend a Television Technical Corporation Seminar on the 11th and 12th of May.

ROAD WITHDRAWN

Clem Washburn met with the commissioners to discuss withdrawing a county road from the county system. This must be decided by a public hearing which will be held May 22nd, 1978/

AOG CITY REPRESENTATIVE

Commissioner Black made the motion that Mayor Keith Redd, be appointed to the position of City Representative to the Southeastern Association of Governments and the Economic Development District. This was seconded by Commissioner Guymon and passed unanimously.

SICK LEAVE

The commissioners discussed Fern Peterson's accumulated sick leave. The policy is that the maximum accumulated sick leave that can be accumulated is 90 days up to 1975. Then the current policy goes into effect.

PUBLIC HEARING

The public hearing for the planed Revenue Sharing Expenditures for the 9th entitlement period, 10/1/77 thru 9/30/78 with an estimated allocations of 199,732. The proposed usage of Revenue Sharing funds were for Public Transportation. There being no opposition voiced the motion was made to use this money as allocated. Motion by Commissioner Black, seconded by Commissioner Guymon and passing unanimously. The public hearing opened at 2:00 P.M. with no one other than the County Commission present.

The public hearing for the planned Revenue Sharing Expenditures for the 10th entitlement period, 10/1/78 thru 9/30/79, with an estimated allocation of \$210,275. The proposed usage of the Revenue Sharing funds were for Public Transportation. There being no opposition voiced the motion was made to use the funds as allocated. Motion by Commissioner Guymon, seconded by Commissioner Black and passed unanimously. The public hearing opened at 3:00 P.M. with no one other than the County Commission present.

PUBLIC HEARING ON AIR QUALITY FOR VARIOUS AREAS IN SAN JUAN COUNTY

Commissioner Black reported that there will be a Public Hearing on May 5th, 1978 at 2 P.M. in the Monticello Public Library. The hearing will be to hear the public's feelings on changing various areas in the county, including Grand Gulch to Class 1 air standards. They are presently at class 2. The commissioners are opposing this action as it will mean that there ~~can't~~ be any drilling or any mining anywhere near these areas. It also means that nothing can happen in or near these areas. Class 2 standards do not prohibit mining or drilling. Class 2 standards mean very clean air with no health hazards or visibility deterioration. Class 3 is well with the health levels. The towns on the Wasatch Front don't even meet Class 3 air standards. There are meetings held to determine the public opinion on changing Natural Bridges and Hovenweep to Class 1 standards. This could bring industry in San Juan county to a standstill. It is hoped that the public will attend these hearings and vote against changing the air standards.

Commissioner Black also attended the Energy Council, Power Plant Task Force meeting in Delta. The IPP may be approved. However, the Environmentalists are going to fight the building of this power plant. Evidently, they don't think there is a power shortage and their goal is zero growth.

Commissioner Black also attended the Wilderness Committee meeting. They are opposing the current Wilderness Proposal. They will review and make recommendation. They also feel that any area that is made into Wilderness should be taken away from the BLM or the Forest Service and be given to the Park service to administer. These idea is well received in Congress.

RECREATION DIRECTORS

The commissioners discussed the pay for the athletic directors and the recreation directors. Commissioner Guymon stated that he wanted to hold a meeting soon to determine the pay for helpers, etc. in the Recreation Program.

Commissioner Guymon also reported on Bill Dineharts meetings with various groups in Bluff and Blanding.

WINTERIZATION AND LOW INCOME HOUSING

John Helquist met with the commissioners to get approval to hire Alvin Black at Grade 27 Step 1, at \$3.94 an hour. This was approved on a motion by Commissioner Black and seconded by Commissioner Guymon. It passed unanimously.

John Helquist asked for a raise of 1 step which was approved on a motion by Commissioner Guymon and seconded by Commissioner Black. It passed unanimously.

ZONING ORDINANCE

There will be a public hearing at 5:00 P.M. Monday, June 5th on the zoning ordinance. There will be three copies of the zoning ordinance at the clerks office for inspection.

MEMORNDUM OF AGREEMENT FOR ROAD MAINTENANCE

The commissioners approved the memorandum of Agreement for Road Maintenance. This will be on file in the clerk's office.

MEMORANDUM

The commissioner signed a non-participation Memorndum electing not to participate in the medical program provided by the State of Utah.

MINUTES OF THE SAN JUAN COUNTY ROAD MEETING HELD MAY 1, 1978

TIME: 9:00

PRESENT: Commissioners E. Boyle, D. Guymon, and C. Black. Engineer D. Pehrson, Foremen L. Lyman B. Bradford, L. Adams and A. Holden.

Minutes were read and approved.

Commissioner Black presented a letter from Paul Gilgen in regard to time schedule on Bluff to Montezuma Creek. He reported there was some conflict on previous commitments. He said he would follow up on this.

Teek reported he was hauling pit run on Ismay Road, and would be ready to move as soon as he was through. Dave said he would check on easements on Cross Canyon Road, so teek could move there next.

Bernal reported he was waiting on approval from BLM to move Crucher to Mexican Hat.

Commissioner Black reported a public hearing would be held on Friday in regard to the clean air act in parts of San Juan County. He encouraged residents to attend and express their opinions.

Doug reported four survey points had been established within the city by private survey units.

Lynn reported he was advertizing for bids May 22 on culverts, tires, fuels, motor oil, grease and L. P. Gas.

Meeting was adjourned

MINUTES OF THE BOARD OF COUNTY COMMISSIONERS MEETING HELD MAY 8, 1978

TIME: 10:00

PRESENT: E. S. Boyle, Commission Chairman  
Calvin Black, Member  
Kristine Frost, Deputy Clerk

Commissioner Guymon was excused on County Business.

Minutes read and approved on a Motion by Commissioner Black and seconded by Commissioner Boyle.

COUNTY LETTERHEAD

The Southeastern Utah Association of Counties wants some county letterhead. This was approved by the Commissioners and Clytie Barber was given authority to mail them some stationary.

XEROX MACHINE

Arvilla Warren, the county recorder, agreed with the policy adopted by the commissioners on the use of the Xerox Machine.

BLUFF PUBLIC HEARING

The commissioners discussed the Bluff public hearing held on the Bluff Transfer of Funds for the Bluff Multi-purpose Center. There was unanimous approval for the transfer.

MISS SAN JUAN CONTEST

Sherrri Sweeney, and Arita Sparks met with the commissioners to discuss the Miss San Juan Contest. Pearl Whittaker, fair board chairman, stated that the committee in charge of this contest had already started working on the contest.

CONTROL DISTRICT

There was a question asked concerning the Control District in the zoning ordinance. The question was whether or not those owners of agricultural lands would have to pay commerical rates on their lands within the Control District. The answer was no until the property was used for commerical purposes. The Greenbelt Ordinance still applies to this county.

PLANNING COMMISSION

The commissioners discussed hiring a building inspector for the County and the Cities of Monticello and Blanding. The State Plumbing Inspector was down in San Juan County. He stated that a lot of plumbing and building was being done by people who were not licensed. And these people were not building according to the codes. The commissioners contacted both city managers who agreed with the proposed hiring.

AOG AND EDD BOARD MEETINGS

Commissioner Black reported that he and Mayor Keith Redd had attended the Aog and EDD board meetings. New officers were elected as follows : Walter Axelguard, Pres., Harey Merrill, Vice Pres. and Keith Redd, as sec. The AOC director, Bill Dinehart, will be leaving to take the position of Director of State Lands. May 24, 1978 the board will select a new director.

Commissioner Black also reported on the Energy Impact Money. The county is eligible to receive state impact money and will soon be eligible to received Federal impact money.

Commissioner Black requested permission to attend the National Steering Commission Meeting which will begin May 21, 1978. This will deal with Public Land issues. Permission was given.

BEER LICENSES APPROVED

Beer Licenses for the following people were approved: Susanne Mayberry, of the M 4 Ranch, and the Fry Canyon Operation.

BEER LICENSES DISAPPROVED

The following Beer License was disapproved: Black Oil Company for their Texaco service station in Mexican Hat. This was disapproved because of a county policy made in 1969 stating that
