

Monticello, Utah
Nov. 1, 1949

The regular meeting of the Board of County Commissioners convened at 10:00 A. M. All members and the Clerk were in attendance.

COMB WASH ROAD

Joe Cooper, representing the mining interests in White Canyon asked if the County was willing to help build a road down the Comb Wash to connect with an old road there, as it is impossible to travel the road over the Elk Mountain during the months when the snow is deep. The Commissioners agreed that if the miners, stock men, V. C. A. and all persons interested in using the road would make a survey as to what is needed and cooperate in the construction that the county would help.

GRAVEL TO A.E.C.

It was agreed that the County would approve the request to obtain from the State Road Commission, 1000 cu. yds. of 1" gravel (untreated) @ \$1.00 per yd., the same to be sold to the A.E.C. for building roads at their plant at the same price.

ARMY TRUCK

The Clerk was instructed to advertise for bids on the sale of the four wheel drive Army Model Chevrolet truck. Also to notify Claude Foy to that effect.

Dec. 6, 1949

The Board of County Commissioners met this day in regular session in the Clerks office. All members and Clerk in attendance.

Dave Guyman, Assistant Road Supervisor, reported that he had moved the C. C. C. house owned by the County and to be used by the County for a Implement shed onto a corner of his lot in Blanding. He asked that the County buy roofing for building, and that a foundation be put under it. It was agreed that Mr. Guyman be given authority to get the roofing and cement for building and to see to having the work done.

It was moved by Rogers and seconded by Crowley that the Petition for
