The Board of County Commissioners met this day in regular session in the Clerk's office, J. W. Crowley, Leon W. Adams, Grant L. Bayles and Clerk Pearl Butt in attendance.

The County Commissioners having previously advertised for bids on lease of an undivided one-half interest in oil, gas and minerals reserved to San Juan County at the time of sale of the following described county owned lands:

NE $\frac{1}{4}$ SW $\frac{1}{4}$ and Lots 1, 2 and 3 of Section 25, Township 40 South, Range 21 East, Salt Lake Meridian,

SW $\frac{1}{4}$ NE $\frac{1}{4}$; S $\frac{1}{2}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$; SE $\frac{1}{4}$ SE $\frac{1}{4}$; W $\frac{1}{2}$ SE $\frac{1}{4}$, Section 26

Lot 1 and SW $\frac{1}{4}$ NE $\frac{1}{4}$ S. c. 34.

Lots 1, 2, 3, and 4; NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 35.

all in Township 40 South, Range 21 East, Salt Lake Meridian.

and the said Board having received a bid from the Carter Oil Company of Tulsa Oklahoma in the amount of \$888.57 and a yearly rental of \$699.66 in case no well is commenced on said land before one year from date of lease; and a bid from George D. Fehr, Salt Lake City in the amount of \$349.83 down payment and a yearly rental of \$349.83 in case no well is commenced on said land before one year from the date of lease, a motion was made by Leon W. Adams that the lease be awarded to the Carter Oil Company as per their offer except that the warranty clause should be stricken. Grant L. Bayles seconded the motion and it carried unanimously.

The Utah Wool Growers Association had written the Commissioners asking San Juan County to join certain other Utah counties in asking for Federal Relief for live stock. The matter was discussed and it was decided that since San Juan County had received sufficient rainfall to make adequate feed on the winter range, San Juan County should not ask for relief. The Clerk was instructed to write the Wool Growers to that effect.

Mary Jane Wilson stated that both she and Katherine Ryan had been paying taxes on the same piece of land for several years and asked if it would be possible for the Commissioners to refund a part (one half) of this over charge. The Commissioners stated that since the funds would have been apportioned each of these years there was no way in which they could refund it but they agreed that Mrs. Wilson, in view of the fact that she has no income, be allowed a abatement of \$10.00 per year on her taxes.

The Board of County Commissioners met in regular session this day all members and the Clerk attending.

Mrs. Mead of the Torb area met with the Commissioners met with the Board and asked that a certain road crossing her property be changed to go on the section line; Stating that because of the deep barrow pit being made along the side of the road she feared that it would cause her land to erode. The road supervisor, Leroy Wood was requested to look into the matter and if there was any danger and what could be done .

Ross A. Musselman having offered to purchase a certain parcel of land near Bluff, to-wit that portion of the NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 30, Twp. 40 S., R. 22 E., lying north of the State Highway, submitted a bid as follows:
