RE: Tax Sales, San Juan County, Utah

Each year we receive several requests for information concerning the County Tax Sale. Property subject to sale is placed in a legal notice on or around the first Wednesday of May and the sale takes place at 10:00 a.m. on the 5th Thursday of May. Prospective buyers are placed on our mailing list and will be notified near the time of first publication. You will receive a copy of the Legal Notice.

Property may be redeemed by an owner of record at any time prior to 10:00 A.M. the day of the advertised sale. Sale will be by public auction, generally the base bid price is set by the County Commission at Market Value as indicated on the Tax Notice. The San Juan County Clerk's office does not routinely provide prospective bidders with any other property information than that which is published in the legal advertisement. You are welcome to call my office for a listing update of redeemed property or other assistance at any time prior to the sale.

Respectfully,
